Scheme becomes effective

The new National Health Service (Existing Liabilities Scheme for General Practice) Regulations 2020 (the **Regulations**) come into force today. These Regulations establish the existing liabilities scheme, the Existing Liabilities Scheme for General Practice. For further information, please see <https://resolution.nhs.uk/services/claims-management/clinical-schemes/general-practice-indemnity/existing-liabilities-scheme-for-general-practice/>.

As the Regulations have now commenced, the Board of MDDUS is pleased to announce that a copy of the court order sanctioning the scheme of arrangement between MDDUS and its members (the **Scheme**) was today delivered to the Registrar of Companies in Scotland for registration and as a result the Scheme has now become effective.
